## Pool Party Guidelines

We are happy to have our members host parties with family and friends, but we want to ensure it is not infringing on the pool space and time of the numerous other members who belong. We will have a limited amount of pool parties available and their time will be held within guidelines so there will be plenty of downtime for members to enjoy the pool.

- Parties must be hosted by a member.
- Member hosts are allowed 30 minutes before the party to set-up and 30 minutes after to clean-up. (If more time is needed for set-up, please reach out to us.)
- Parties will be held to a **strict 2 hour time limit**. We ask that parties' guests please leave at this time and clean-up begins. If you would like to have more time, please reach out to us for availability and the extra fee involved.
- Parties will be **limited to 30 guests on deck** during pool hours. *This includes non-swimmers who are there for the party.*
- If your party will be over 30 on-deck guests, you are welcome to schedule before or after pool hours. If it has over 50 guests, there will be an additional fee for an extra lifeguard.
- A space on the pool deck will be reserved for your party. We ask that when not swimming to have guests celebrate and **use the seating in that area only** to allow the rest of the deck and loungers/tables to be available for our other members.
- Pool parties need to be scheduled ahead of time to check availability. There is a form with your contact and party information to be filled out then our pool manager will reach out to confirm and schedule timing. There is also a pool party waiver to sign.
- These forms can be found on our website or in our snack shack. We can email the form if needed.
