River-Aire Rocket's Swim Team

This will be a 4-week season teaching the four competitive strokes, dives/starts, turns, and building endurance. The season will end with an inter-squad meet followed with a team party. We are also working on having a meet against another team.

Racing at either meet is optional. The meets are simply to allow the kids to race, have fun, and show off their new skills while challenging themselves.

Come join the fun!

All ability levels are welcome. Swimmers must be able to swim one length of the pool unassisted.

Season Dates: June 3rd – June 26th

Practices:

Tuesdays & Thursdays at 5:30-6:30 pm

Saturdays at 10-11 am
